Homeschool California

West River Academy is offer an affordable homeschool/unschool private school option with maximum freedom, open enrollment, transcripts, consultations, and accredited diplomas. West River Academy is an international fully accredited independent private school in California, with a location in Colorado. It is for families who desire the benefits of private school enrollment AND minimal oversight over their educational activities. Families may use the curriculumof their choice, or use no curriculum. You may receive assistance from us in designing or choosing a program and learning style that fits your children's needs.
The benefits of enrolling students in West River Academy are:

- You will not need to notify your local school district of your educational program. (This applies to most states; check your state laws.)
- You will not be required by West River Academy to test or evaluate at the end of the school year. Instead, you are asked to submit a year-end report on your children's activities, studies and progress over the year.
- You will pay only for the services you require.
- You can schedule consultations whenever desired with an experienced homeschooling and unschooling specialist.
- Students can receive official private school transcripts with grade promotion for use in entering a different school.Students can receive a high school diploma from a fully accredited private high school.
- Students' previous school records will be obtained and retained by West River Academy while they are enrolled in the Academy.

West River Academy, we work with you to design a program that provides an education tailored to your children's needs. That’s why we’ve become a leading national and international school for all grade levels.

High School Diploma Program

West River Academy offers students the opportunity to graduate from an accredited private academy.* The High School Diploma Program is 6 months long. You can start it anytime during your final year of high school. Most students start on November 1 and

graduate May 15. Please keep in mind that if you start in one academic year and graduate in the following year, you will have to pay for enrollment for both years.

High School Diploma Program Guidelines:

- Submit the fee of $375 online by credit card or mail a check/money order. Please note that this fee is in addition to the yearly enrollment fee. It is due on the first day of the month you wish to start the program.
- Submit a PARENTAL ENDORSEMENT if you are under 21 years old. This is a one-sentence statement signed by your parent(s) that they believe you are ready to graduate. It should be submitted after your final monthly report. It can be emailed or mailed.

Here at West River Academy, we work with you to design a program that provides an education tailored to your children's needs. That's why we've become a leading national and international school for all grade levels. We are also ideal for students who are gifted, disabled or have special needs.
